Memorandum

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Resolution Authorizing the Conveyance of a Portion of County-Owned Real Property located at 351 SW 107 Avenue, City of Sweetwater, Florida, to the Florida Department of Transportation for Necessary Road Improvements to SR 985 (SW 107 Avenue) and Approving Lease for \$1.00 Per Year with School Board of Miami-Dade County for Temporary Fire Station Site on Adjacent Property

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution, which authorizes the following actions:

- Approves a Contract for Sale and Purchase, attached as Exhibit E to the resolution, between Miami-Dade County and the Florida Department of Transportation (FDOT) for the conveyance of Parcel 116 consisting of 3,111 square feet along the frontage of a 29,882 square foot site and being a portion of County-owned land identified under Folio Number 24-4005-001-0511 located at 351 SW 107 Avenue, City of Sweetwater, Florida, for necessary road improvements to SR 985 (SW 107 Avenue).
- Authorizes the County Mayor or the County Mayor's designee to execute the Contract for Sale and Purchase in the amount of \$1,524,641.00, which includes \$323,900.00 for the land and improvements (i.e. trees and pavement), \$588,741.00 for implementation of a cure to the site as proposed by the FDOT, \$597,000.00 to establish a temporary fire rescue station during road improvements to SR 985 (SW 107 Avenue), \$10,000.00 for the County's attorneys' fees and \$5,000.00 for the County's expert fees.
- Authorizes the County Mayor or the County Mayor's designee to approve the conveyance by County Deed, to record the instrument of conveyance in the public records of Miami-Dade County, and to exercise any and all other rights set forth in the Contract for Sale and Purchase.
- Authorizes the County Mayor or the County Mayor's designee to execute a lease agreement, attached as Exhibit G to the resolution, and due diligence agreement with the School Board of Miami-Dade County (School Board) to establish a temporary fire station on vacant land adjacent to the existing station.

Scope

The property is located in Commission District 12, which is represented by Commissioner Jose "Pepe" Diaz.

Fiscal Impact/Funding Source

The conveyance of the 3,111 square foot property (Parcel 116) will result in the County receiving a payment of \$1,524,641.00 from FDOT. These funds will be used to establish a temporary fire station on nearby property to be leased from the School Board and to cure the damages caused to the station resulting from the FDOT's acquisition of the frontage of the property. It should be noted that the County is not obligated to implement the cure proposed by the FDOT, and may utilize the money to implement any cure to the site that it deems to be the best alternative. The Miami-Dade Fire Rescue Department (MDFR) is currently evaluating options for reconstruction with respect to Station 29.

Track Record/Monitoring

Scott Mendelsberg, Assistant Director for the MDR is managing the conveyance of the property to FDOT and the lease of the temporary site from the School Board.

Delegation of Authority

Authorizes the County Mayor or the County Mayor's designee to execute the Contract for Sale and Purchase and to exercise any and all other rights conferred therein, and authorizes the County Mayor or the County Mayor's designee to execute the lease agreement with the School Board of Miami-Dade County and to exercise any and all rights conferred therein, and to effectuate such conveyance and lease.

Background

The FDOT has programmed road improvements to SW 107 Avenue from SW 12 Street to Flagler Street in Miami-Dade County. Phase 1 of the project will consist of widening SW 107 Avenue from four (4) to six (6) lanes between SW 8 Street and SW 4 Street under Project No. 412479-352-01 scheduled for construction in June 2016.

Phase 2 of the project will consist of widening SW 107 Avenue from four (4) to six (6) lanes between SW 4 Street and Flagler Street under Project No. 412479-2-52-01 tentatively scheduled for construction in 2017. The SW 4 Street intersection improvements (impacting Station 29) will take place under Phase 1 of the project.

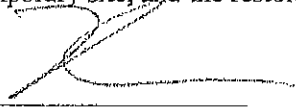

The programmed road improvements to SW 107 Avenue will impact the operation of Sweetwater Fire Station No. 29 located at 351 SW 107 Avenue. The widening of SW 107 Avenue will primarily impact the emergency unit apron including the visitor and handicap parking spaces. The apron is an integral part of the fire station located along the front of the fire station and utilized by emergency response units to stage their departure and assure traffic clearance. In addition to the aforementioned impacts to the fire station, the fire station will be impacted due to the substantial time delays associated with exiting the current facility and navigating the expected slow traffic flow during the road improvement project surrounding the fire station.

Accordingly, the FDOT formally requested that the County convey Parcel 116 in order to achieve the programmed road improvements, under threat of condemnation, via a statutory initial offer letter. Parcel 116 was appraised by an independent appraiser for a total value of \$761,600.00. The County declined the offer in the amount of \$761,600.00, and in an effort to avoid condemnation proceedings, and to assist the FDOT in moving the project forward, negotiated a compensation award of \$1,524,641.00, which includes \$323,900.00 for the land and improvements (i.e. trees and pavement), \$588,741.00 for implementation of a cure to the site, \$597,000 to establish a temporary fire rescue station during road improvements to SR 985 (SW 107 Avenue), \$10,000.00 for the County's attorneys' fees and \$5,000.00 for the County's expert fees.

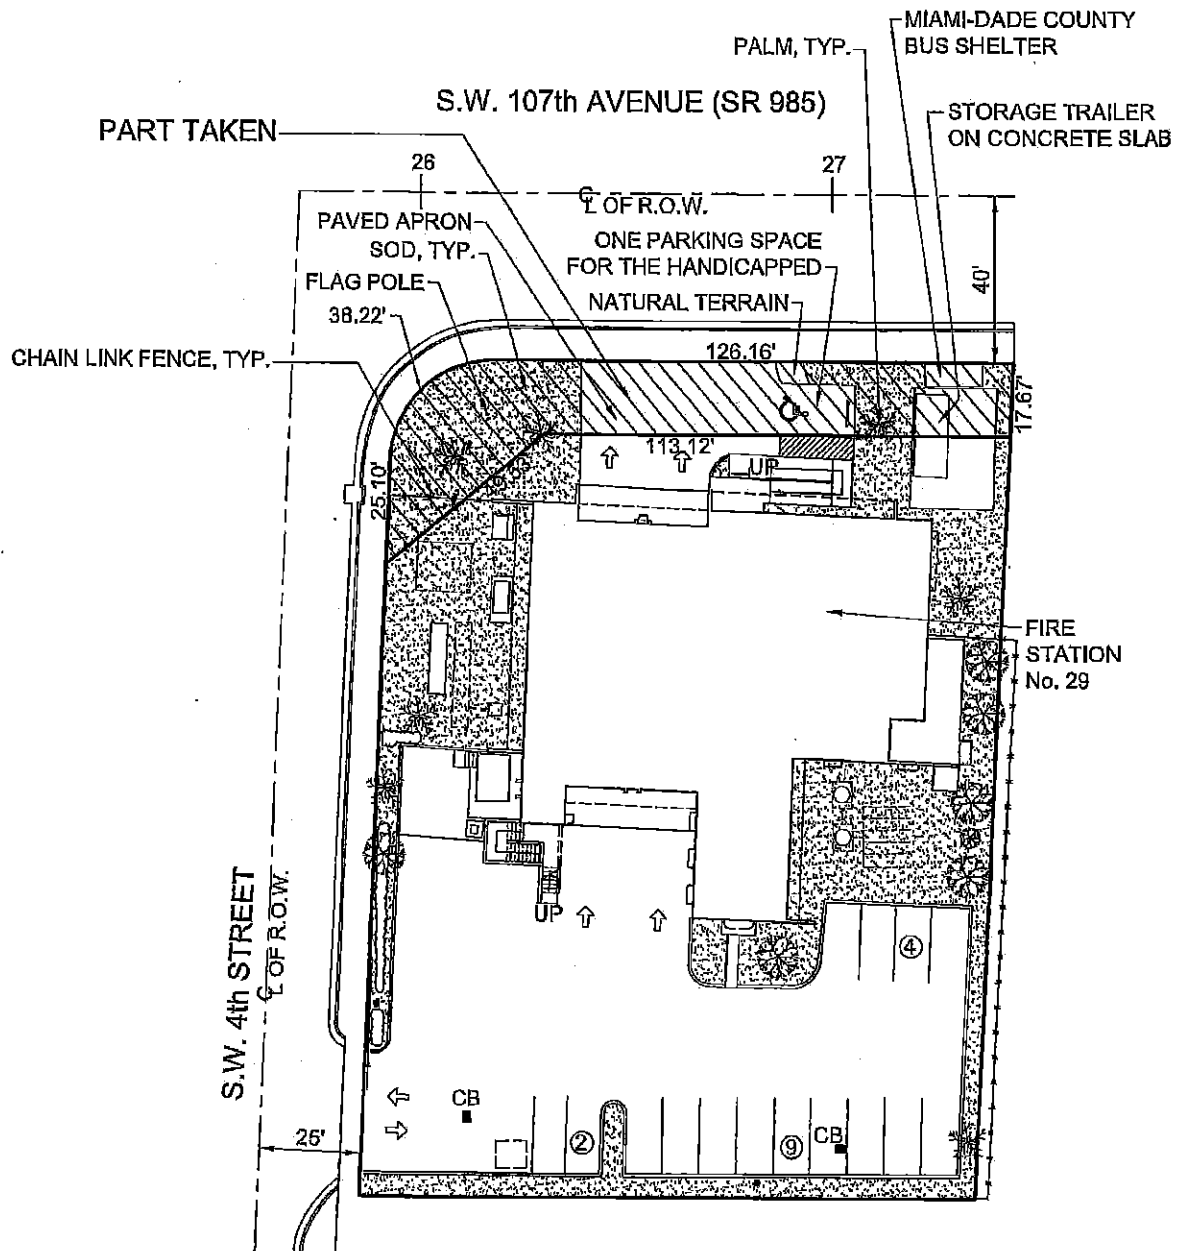

In an effort to maintain the fire station operational within the City of Sweetwater, MDR worked with the School Board to establish a lease, at no cost, for a temporary fire station on a portion of the activity field belonging to Sweetwater Elementary. The School Board administration agreed to allow the County to utilize the property for a 2-year, six (6) month period for \$1.00 per year upon the terms set forth in the lease contingent upon approval by the School Board and the Board.

Honorable Chairman Jean Monestime
and Members, Board of County Commissioners
Page 3

The temporary fire station will consist of a double wide trailer to accommodate the staff and a canopy to shelter the emergency equipment. The temporary fire station will operate during the road improvement project and during the renovations to the fire station site. Upon completion of the road improvement project and the reconstruction at the original site, the staff and emergency equipment will return to the original site, the temporary fire station will cease to operate, and the lease with the School Board will terminate. The County will be required to restore the site to its original condition in accordance with the lease provisions. The compensation from the FDOT includes both the construction of the temporary site, and the restoration of the School Board site at the termination of the lease.

The following terms and provisions shall be made a part of the above-described Purchase Agreement (the "Agreement") entered into by Buyer and Seller under the threat of condemnation.

1. Paragraph III (a) of the Purchase Agreement is not applicable to this sale and is therefore deleted.
2. Paragraph III (b) is deleted and replaced as follows: Seller shall convey the Property to the Buyer pursuant to the terms of the attached County Deed. Buyer has reviewed title through 7/16/2015 and accepts title as to all matters of record through said date. Prior to the closing of the transaction, Buyer shall have the opportunity to examine and update the title of the parcel. If such examination discloses any additional encumbrances of record after 7/16/2015, and Buyer objects to same, Buyer shall provide written notice to the Seller of the same, specifically identifying such encumbrance. Such written notice shall be provided no later than ten days from the earlier of the date that the deed appears of record in the Miami-Dade County Public Records or 45 days from the date of recordation of the deed, or such objections shall be waived. Seller may, at its option, elect to remove the encumbrance(s). If the Seller elects not to remove the same, then Buyer may elect to either:

Buyer shall, within one (1) business day of the closing of the transaction, record the deed, and shall thereafter use due diligence to update the title during the gap period. In the event that the gap period reveals new encumbrances of record, subsequent to encumbrances of record after 7/16/2015, the parties shall cooperate to immediately resolve the issues. If the gap title search is acceptable to Buyer, or if Buyer fails to provide written notice to Seller within the time period provided in this section, Buyer shall forthwith release the escrow funds to Seller.

3. Paragraph III (d) of the Purchase Agreement is amended to include the following: Buyer and Seller shall enter into a lease, in form and substance reasonably acceptable to both parties providing for the Seller's occupancy of the Property through the later of March 31, 2016, or one day before the date of letting of Buyer's roadway project. In the event that the latter date is the date of termination of possession by Seller, Buyer shall provide prior notice as provided for in the lease.

5. Paragraph III (g) Seller agrees that the real property described in Section I of this agreement shall be conveyed to Buyer by conveyance instrument(s) as provided in Florida Statue 125.411.

RECITALS

The above recitals are true and correct and are incorporated herein by reference.

II.

DUE DILIGENCE AGREEMENT AND DEMISED AREA

Upon execution by the Parties of the Agreement to Conduct Due Diligence Investigations on Board-Owned Land ("Due Diligence Agreement") attached as **Exhibit "A"** hereto and made a part hereof, the COUNTY shall be given access to designated portions of the School in order for the COUNTY to (1) provide the BOARD with a boundary survey, certified to the BOARD, legally describing the portion of the School playfield area, consisting of approximately 17,640 square feet, to be used by the COUNTY as the Temporary Station, for the BOARD'S review and approval prior to the Effective Date, and (2) conduct due diligence investigations, as detailed in Article XXXVII(G) of this Agreement. The survey, as approved by the BOARD, shall be attached to this Agreement as **Exhibit "B"** and made a part hereof.

Effective with the Lease Commencement Date of this Agreement (as defined in Article III below), the BOARD does hereby lease to the COUNTY the portion of the School playfield, consisting of approximately 17,640 square feet, as described in Exhibit "B" (hereinafter defined as the "DEMISED AREA").

III.

TERM

This Agreement shall be effective upon the date on which the last of the Parties initials or executes this Agreement (the "Effective Date"), which date shall also serve as the Lease Commencement Date ("Lease Commencement Date"). Subsequent to the Lease Commencement Date, the COUNTY shall have access to the DEMISED AREA for the specific and limited purpose of: 1) conducting a Pre-Construction Environmental Site Assessment

Lease Agreement/Miami-Dade County/Sweetwater Elementary School/FINAL 07.28.15

("Pre-Construction ESA"); and 2) constructing the Temporary Station, and other activities directly related thereto, all as described in Articles V and XXXVII(F) of this Agreement.

The COUNTY'S access to the DEMISED AREA for the Pre-Construction ESA and construction of the Temporary Fire Station shall be limited to the period of time subsequent to the Lease Commencement Date of this Agreement, but not more than seven (7) months immediately preceding the date the COUNTY is divested of title and possession of the property acquired by the FDOT, and the COUNTY can no longer operate the Fire Station, or as it may be extended by mutual written agreement of the Parties or their designees ("Possession Date"). Subsequent to Possession Date, and as a condition precedent to commencement of the Work, as defined below the COUNTY shall construct a 6-foot chain link fence to separate the DEMISED AREA from the balance of the School site, as stipulated in Article V. The Parties acknowledge and agree that the COUNTY shall not occupy or operate the Temporary Station until the BOARD'S Building Department issues a Certificate of Occupancy, Certificate of Completion, or equivalent ("C.O.") for the Temporary Station, which C.O. shall be attached hereto and made a part hereof as Exhibit "C" ("Occupancy Date"). It is further acknowledged and agreed that the period of occupancy under this Agreement shall begin on Occupancy Date, and shall continue until the date the Fire Station site is rebuilt and becomes operable after the completion of the road construction, and in any event, no later than two (2) years from Occupancy Date, unless otherwise extended, cancelled or terminated as provided for herein ("Occupancy").

IV.

RENT

The COUNTY shall pay to the BOARD as rent, the sum of one dollar (\$1.00) per year in advance beginning on the Lease Commencement Date, and on the anniversary date of the Lease Commencement Date each year thereafter.

V.

CONSTRUCTION ACCESS AND IMPROVEMENTS

Effective with the Possession Date of this Agreement, and as limited by the provisions set forth in Articles III and XXXVII, including approval by the BOARD or its designee as to when on-site construction activities may commence, the BOARD does hereby grant to the COUNTY, the right and privilege to access the DEMISED AREA, for the specific and limited purpose of constructing the Temporary Station thereon, and other activities directly related thereto. Work shall include,

Lease Agreement/Miami-Dade County/Sweetwater Elementary School/FINAL 07.28.15

without limitation, the scope of work as substantially set forth in Exhibit "D" attached hereto and made a part hereof (all such improvements are referred to herein as the "Work"). The COUNTY acknowledges and agrees that prior to commencement of any activities, it shall install a chain link fence, a minimum of 6-feet in height, in order to properly separate the DEMISED AREA from the balance of the School site, in conformance with the provisions of 1012.468(1)2(e) F.S., and the COUNTY shall also comply with any other applicable laws, rules, regulations, statutes and codes. Any change to the scope of Work shall be approved by the BOARD, which approval shall not be unreasonably withheld.

All Work will be done at the COUNTY'S sole cost and expense, and access shall be as previously scheduled and coordinated with the School Administrator and assigned District Project Manager to assure that all necessary safety measures are implemented, and the Work does not interfere with or disrupt the operations of the School. Neither the COUNTY nor its contractors may park their personal vehicles or store construction materials/equipment within the School campus, other than the DEMISED AREA, at any time.

The COUNTY agrees that no construction, major repairs, alterations or improvements on the DEMISED AREA may be undertaken unless the plans are first submitted to and approved in writing by the BOARD, or its designee, which the BOARD may approve or disapprove at its sole authority and discretion. Plans must be signed and sealed by a duly licensed design professional and be of sufficient detail to secure any and all permits necessary to commence the Work. Any and all warranties between the COUNTY and its architect/engineer of record shall flow to the BOARD in the event of errors and omissions. The plans shall be prepared in accordance with all applicable laws, rules, regulations, statutes and codes, including without limitation, as applicable, the Miami-Dade County Public School's ("District") design criteria, specifications and safety codes, the State Requirements for Educational Facilities and the Florida Building Code, in effect at the time the plans are submitted to the BOARD. All Work shall be performed in a good and workmanlike manner by contractors who are licensed, insured and fully bonded, and the COUNTY shall provide evidence of same to the BOARD prior to commencement of the Work. The COUNTY shall require its contractor(s) to locate and/or identify any existing underground improvements or utilities within the DEMISED AREA that may be affected by the Work, and the COUNTY shall be responsible for any damage or injury the COUNTY causes arising out of or incidental to any portion of the Work within the DEMISED AREA. The COUNTY'S contractors must be pre-qualified by the BOARD, in accordance with
Lease Agreement/Miami-Dade County/Sweetwater Elementary School/FINAL 07.28.15

District and BOARD Policies before commencing the Work or any construction activities on the DEMISED AREA or any other portion of the School.

The BOARD'S Building department shall be the entity responsible for reviewing and approving all construction documents, issuing permits for construction and providing final acceptance of the Work. The Work shall commence only after issuance of proper permits, in conformance with the requirements of the BOARD'S Building department or other appropriate jurisdictional governmental entities, and shall at all times be in compliance with all applicable laws, rules and regulations, including, without limitation, as applicable, the Florida Building Code, the Americans with Disabilities Act, the Jessica Lunsford Act, the State Requirements for Educational Facilities, and the District criteria and standards, as the same may be amended from time to time. All permits shall be properly closed by the COUNTY upon completion of the Work, and evidence of same, satisfactory to the BOARD, shall be provided to the Board without demand. All Work shall be limited to those areas designated in the plans, and the COUNTY shall have no authority to access any other portions of the School, except as otherwise provided for in this Agreement or as authorized in writing by the BOARD, or its designee, on an as-needed basis.

The Work shall conform at all times to the safety criteria established with and approved by the BOARD, or its designee, and shall neither unreasonably disrupt or interfere with the BOARD'S operations at the School. The COUNTY and its contractors shall take all necessary safety precautions during the Work, secure all construction areas by appropriate construction fencing, and coordinate on an ongoing basis with the School Administrator and assigned District Project Manager to assure the safety of the BOARD'S students, staff, visitors, invitees and the public at all times. In addition, the COUNTY and its contractors shall work closely with the School Administrator and assigned District Project Manager to assure the Work does not interfere with or disrupt School or District operations. The COUNTY's activities shall neither unreasonably disrupt nor interfere with the School's daily operations. Prior to the commencement of the Work, the COUNTY shall provide the BOARD, or its designee, with a proposed schedule for the commencement and completion of the Work. If the BOARD, or its designee, requests that the COUNTY cease any work at the DEMISED AREA due to unreasonable interference or violation of any applicable rules and regulations or the District's criteria, then the COUNTY shall immediately discontinue its activities at the DEMISED AREA,

and shall proceed only after the BOARD, or its designee, has reviewed the scheduling, safety and/or manner of work in question and has authorized the COUNTY to continue.

The COUNTY shall cause any contractor doing work on the DEMISED AREA to indemnify, defend and hold harmless the BOARD, its employees and representatives from any and all liability, damages and claims. However, nothing herein shall be deemed to require an indemnity of the BOARD from any liability or claim arising out of the negligent performance or failure of performance of the BOARD or as a result of the negligence of any unrelated third party. In addition, as a pre-condition to commencing the Work, the COUNTY shall require the COUNTY'S contractor(s) to provide the following minimum levels of insurance coverage: (1) Commercial General Liability Insurance in an amount not less than \$1 Million combined single limit per occurrence for bodily injury and property damage, (2) Automobile Liability Insurance covering all owned, non-owned and hired vehicles used in connection with the operations of the COUNTY'S contractor(s), in an amount not less than \$1 million combined single limit per occurrence for bodily injury and property damage, and (3) Workers' Compensation Insurance for all employees of the COUNTY'S contractor(s) to the extent required by Florida Statutes. "The School Board of Miami-Dade County, Florida and its members, officers and employees" shall be an additional insured on all liability coverages except Workers' Compensation Insurance. The COUNTY'S contractor(s) shall maintain such insurance at all times during the period of the Work.

To the extent provided under Section 768.28 of the Florida Statutes, and subject to the monetary limitations as set forth in such section, the COUNTY covenants and agrees that it shall indemnify, hold harmless and defend the BOARD from and against any and all claims, liens, suits, actions or causes of action arising out of or in connection with any construction costs and expenses for improvements made by the COUNTY within the DEMISED AREA. However, nothing herein shall be deemed to require an indemnity of the BOARD from any liability or claim arising out of the negligent performance or failure of performance of the BOARD or as a result of the negligence of any unrelated third party. In addition, the COUNTY shall cause each and every of its contractors and subcontractors ("**County Contractor**") performing work at the DEMISED AREA to further covenant and agree, at the County Contractor's own expense, and upon written request by the BOARD, to defend any suit, action or demand brought against the BOARD on any claim or demand arising out of, resulting from, or incidental to the County Contractor's performance under any contract by and between the COUNTY

Lease Agreement/Miami-Dade County/Sweetwater Elementary School/FINAL 07.28.15

and/or its assigns and any and all contractors and subcontractors. This provision shall survive the expiration, cancellation or early termination of this Agreement. Furthermore, the COUNTY and/or its assigns shall cause the indemnification provision and the duty to defend provision in its Contract with the County Contractors to survive the cancellation, early termination or expiration of any and all contracts by and between the COUNTY and/or its assigns and any County Contractor.

If, as a result of the COUNTY'S actions in the performance of the Work, or failure to act, the DEMISED AREA or any other portion of the School campus is damaged, in the reasonable opinion of the BOARD, then the COUNTY shall repair and/or restore the damaged area, at its sole cost and expense, to the same or better condition as existed prior to the COUNTY'S entry onto the site. The COUNTY shall complete the necessary repairs within thirty (30) days of receipt of written notice from the BOARD. In the event that the COUNTY is unable to complete the repair work within said thirty (30) day period, the COUNTY shall provide the BOARD with written notification stating the reasons, together with a mutually agreed to schedule for the completion of the repairs. If the COUNTY fails to complete the repair work within the prescribed time frame, then the BOARD, at its sole option, shall have the right, but not the obligation, to make the necessary repairs, at the COUNTY'S sole cost and expense. The COUNTY covenants and agrees that it shall reimburse the BOARD for this work within thirty (30) days of receipt from the BOARD of an invoice for same, accompanied by such documentation as may be reasonably required by the COUNTY to substantiate the nature and completeness of the work. In the alternative, the BOARD may instead place the COUNTY in default under this Agreement.

Notwithstanding the foregoing, in the event of damage to the DEMISED AREA caused by the COUNTY or its agents, contractors or invitees, resulting in a significant impact to operations or the safety and well-being of the BOARD'S students, staff and visitors, and requiring immediate repair, as determined by the BOARD at the BOARD'S reasonable discretion, the BOARD may, at the BOARD'S reasonable discretion, complete the necessary repairs, at the COUNTY'S sole cost and expense.

Prior to the start of any construction activities at the DEMISED AREA, and irrespective of the COUNTY'S estimate of the cost of construction of the Work, the COUNTY shall provide to the BOARD a payment and performance bond ("**Bond**") in compliance with Section 255.05 of the Florida Statutes. In the event that a person or entity attempts to place a lien upon the

Lease Agreement/Miami-Dade County/Sweetwater Elementary School/FINAL 07.28.15

property (In contravention of Florida law), the County shall defend the Board against any such lien. The COUNTY shall not permit any liens to be filed or attached to the DEMISED AREA for any reason whatsoever, including, but not limited to, as a result of the Work performed by the COUNTY pursuant to this Agreement. In the event that any such lien is recorded in the official records of Miami-Dade County, Florida, the COUNTY shall, within twenty (20) calendar days of the date of such filing, cause such lien to be removed of record or properly transferred to a bond under Chapter 713, Florida Statutes. In the event a notice of violation is issued by any jurisdictional agency relating to the Work, said notice of violation shall be the sole responsibility of the COUNTY, and the COUNTY shall cure said violation(s) within thirty (30) days of receipt thereof, at the COUNTY'S sole cost and expense. Should the COUNTY fail to comply with this requirement, then the BOARD may, by its own effort, cause such lien or other violations to be removed of record and cured. The COUNTY shall be liable to the BOARD for all costs of such removal including, without limitation, any and all reasonable attorneys' fees, court costs and any other cost or expense incurred or expended by the BOARD.

In addition to the provisions of Article III, and as conditions precedent to commencing any on-site activities, the COUNTY shall submit the following items to the BOARD:

- (a) a proposed construction schedule containing the COUNTY'S major project milestone time lines, including the proposed start, duration and completion of the Work within the timeframe provided for in this Agreement, and with said start date to conform to the provisions contained in Article III;
- (b) copies of all permits, certificates and other approvals as required in this Agreement for commencement of construction;
- (c) a written statement indicating the COUNTY'S compliance with the provisions of Article V of this Agreement and all other terms and conditions of this Agreement;
- (d) a detailed plan, acceptable to the BOARD, or its designee in its sole authority, delineating how the COUNTY and/or its contractors will implement all necessary safety measures within and around the DEMISED AREA, as well as any other locations within or around the School, that may be impacted by the COUNTY'S constructions activities;
- (e) evidence of insurance in amounts and types of coverage as required under this Agreement; and
- (f) a Bond as specified in Article V of this Agreement.

It is expressly understood by the Parties that the COUNTY shall not commence any of the Work within the DEMISED AREA, until the BOARD, or its designee, has received all of the items listed above and has notified the COUNTY, in writing, as to the approved date for the start of the Work.

The COUNTY shall complete all Work not later than six (6) months from the commencement of construction related activities. The BOARD or designee may, at its sole authority and discretion, and upon written request from the COUNTY, extend the deadline for completion of construction. However, if no time extension is granted by the BOARD, and the COUNTY fails to meet the specified timeframe, then the BOARD may, at its sole discretion, cancel this Agreement immediately, without penalty. In addition, the BOARD'S cancellation of this Agreement shall not relieve the COUNTY of its duty to restore and/or repair any damage caused to the DEMISED AREA or School site as a result of the COUNTY'S actions or failure to act, in accordance with Articles V or XIX of this Agreement.

At the completion of the Work, the COUNTY shall secure an inspection of the Work on the DEMISED AREA from the BOARD'S designee, verifying that the Work has been satisfactorily and properly completed, and shall not release its contractor from its contractual obligations or make final payment to the contractor until the BOARD's designee attests to the satisfactory completion of the Work. In addition, the COUNTY agrees that the COUNTY or its contractor shall restore the DEMISED AREA or other portions of the School Impacted or affected by the Work, to a condition that is safe and usable, including, without limitation, the removal and/or disposal of equipment, materials, personal property, debris and/or trash, and shall assure that the School site is left in as good or better condition that existed prior to the commencement of the Work, all at the sole cost and expense of the COUNTY.

The COUNTY shall provide to the BOARD proof of closure of any and all permits related to the Work, without demand and at no cost to the BOARD.

VI.

USE OF DEMISED AREA

The DEMISED AREA as identified in Exhibit "B" shall be used solely by the COUNTY for the purpose of constructing the Temporary Station, as further defined in Article V of this Agreement, and for the operation of the Temporary Station by the COUNTY, and for no other purpose. "where-Is" condition and basis with all faults as of the Effective Date of this Agreement, subject to all easements, covenants or other encumbrances of record. The BOARD makes no representations or warranties of any type or nature whatsoever, either expressed or implied, as to the usefulness, physical condition or appropriateness of the DEMISED AREA for the COUNTY'S operations or any specific use. The COUNTY, by executing this Agreement, acknowledges that it has the right, but not the obligation, to conduct Due Diligence Investigations related to the DEMISED AREA, as detailed in Article XXXVII(G) of this Agreement, and agrees that the BOARD has made no representations whatsoever regarding the DEMISED AREA. The COUNTY represents that it is relying and will continue to rely solely on its own investigations of the DEMISED AREA in its decision to occupy or use it, and the COUNTY further acknowledges and agrees that the BOARD shall not indemnify the COUNTY in any way with respect to the condition of the DEMISED AREA. The provisions of this paragraph shall survive the expiration or the early termination or cancellation of this Agreement.

If as a result of its Due Diligence Investigations, the COUNTY determines that the DEMISED AREA is not viable for its intended purpose, the COUNTY shall so notify the BOARD in writing, and this Agreement shall terminate as of the date of said notification, and be of no further force and effect.

Effective with the Possession Date, the COUNTY shall have full control, custody, right and use of the DEMISED AREA. The COUNTY shall not be permitted to access any other portion of the School, without the express permission from the School Administrator on a limited, infrequent and as needed basis.

The sale or consumption of alcoholic beverages on the DEMISED AREA is expressly prohibited. In addition, use of any portion of the DEMISED AREA for carnivals, fairs, mechanical rides, midways, or the same or similar kinds of activities is expressly prohibited. Neither Party shall commit nor permit any violations of applicable laws, rules and regulations of the BOARD, including BOARD Policies, COUNTY, State, or Federal government upon the DEMISED AREA.

The COUNTY agrees that it shall comply with all School safety and security criteria, and provide proper supervision of the DEMISED AREA, and maintain the DEMISED AREA safe and secure at all times.

The COUNTY acknowledges and agrees that the COUNTY'S use of the DEMISED AREA shall not unreasonably disrupt nor interfere with any of the School's educational activities or operations, and agrees to work closely with the School Administrator to minimize any impact on

Lease Agreement/Miami-Dade County/Sweetwater Elementary School/FINAL 07.20.15

School operations. The COUNTY shall take all necessary safety precautions during its use of the DEMISED AREA, and coordinate on an ongoing basis with the School Administrator to assure the safety of the School's students, staff, visitors, invitees and the public at all times. The COUNTY further agrees to minimize noise within the DEMISED AREA to the extent possible, especially during periods of School testing, and shall work collaboratively with the School Administrator in this regard.

The COUNTY shall not at any time during the term of this Agreement utilize the DEMISED AREA to store or dispense fuel to any personal or COUNTY vehicles located on the site.

VII.

MAINTENANCE

The COUNTY, at the COUNTY'S expense, shall be responsible for all maintenance, repair and upkeep of the DEMISED AREA, including the perimeter fencing and all improvements located or constructed thereon under this Agreement, as is necessary to keep the same in a good, safe, clean and code compliant condition at all times, including, without limitation, maintenance and repair of all buildings and improvements, walking surfaces, parking areas, fences and gates, restrooms, roofing, plumbing systems, electrical systems, structural systems and field mowing.

VIII.

INSURANCE

The COUNTY shall provide the BOARD with confirmation of the COUNTY'S self-insurance program in a form and substance acceptable to the BOARD or its designee, or, in the alternative, proof of insurance evidencing insurance coverage and limits meeting, at a minimum, the following requirements: (1) Commercial General Liability Insurance in an amount not less than \$1 Million combined single limit per occurrence for bodily injury and property damage, (2) Automobile Liability Insurance covering all owned, non-owned and hired vehicles used in connection with the operations of the COUNTY, in an amount not less than \$1 million combined single limit per occurrence for bodily injury and property damage, and (3) Workers' Compensation Insurance for all employees of the COUNTY as required by Florida Statutes. Proof of coverage shall be provided to the BOARD on an original certificate of insurance endorsed to reflect a minimum thirty (30) day advanced notice of cancellation. The certificate of insurance shall be delivered to the BOARD prior to the commencement of any Work activities within any portion of the DEMISED AREA, and shall remain in full force and effect during the

term of this Agreement, and the COUNTY shall furnish the BOARD evidence of renewals of such insurance policy no less than thirty (30) days prior to the expiration of the then current policy.

IX.

UTILITIES AND OTHER SERVICES

The COUNTY shall be responsible for the installation and ongoing cost of all utilities serving the DEMISED AREA, including, without limitation, electricity, gas, water, sewer, solid waste disposal, storm water and trash collection. The COUNTY shall install separate utility services and/or meters in its name and shall pay for such services at the COUNTY'S sole cost and expense. The COUNTY shall notify the BOARD in a timely manner of any utility agreements requiring the approval and/or joinder of the BOARD as property owner. The BOARD will cooperate as necessary, subject to review and approval of any such agreements or documents by the BOARD or its designee, in its sole authority and discretion. It is understood and agreed that the BOARD shall not execute any agreements, other than joinders which shall be deemed strictly as evidence of consent of property owner and without any responsibility or liability whatsoever thereunder. The foregoing includes, but it is not limited to WASD Agreements and any off-site improvements which may be required by any jurisdictional agency

X.

The COUNTY does hereby agree to indemnify and hold harmless the BOARD, to the extent of the monetary limitations included within Florida Statutes, Section 768.28, subject to the provisions in this act whereby the COUNTY shall not be held liable to pay a personal injury or property damage claim or judgment by any one person which exceeds the sum of \$200,000, or any claim or judgment, or portions thereof, which, when totaled with all other claims or judgments paid by the COUNTY arising out of the same incident or occurrence, exceeds the sum of \$300,000 from any and all personal injury or property damage claims, liabilities, losses and causes of action which may arise as a result of the negligence of the COUNTY. However, nothing herein shall be deemed to indemnify the BOARD from any liability or claim arising out of the negligent performance or failure of performance of the BOARD or as a result of the negligence of any unrelated third party.

In addition, the COUNTY agrees, at its own expense, and upon written request by the BOARD, to defend any suit, action or demand brought against the BOARD on any claim or

The BOARD does hereby agree to indemnify and hold harmless the COUNTY, to the extent of the monetary limitations included within Florida Statutes, Section 768.28, subject to the provisions in this act whereby the BOARD shall not be held liable to pay a personal injury or property damage claim or judgment by any one person which exceeds the sum of \$200,000, or any claim or judgment, or portions thereof, which, when totaled with all other claims or judgments paid by the BOARD arising out of the same incident or occurrence, exceeds the sum of \$300,000 from any and all personal injury or property damage claims, liabilities, losses and causes of action which may arise as a result of the negligence of the BOARD. However, nothing herein shall be deemed to indemnify the COUNTY from any liability or claim arising out of the negligent performance or failure of performance of the COUNTY or as a result of the negligence of any unrelated third party.

The provisions of this Article shall survive the expiration or early termination or cancellation of this Agreement. Nothing in this Agreement is intended to operate as a waiver of either Party's sovereign immunity or the provisions set forth in Florida Statutes, Section 768.28

XI.

NO LIABILITY FOR PERSONAL PROPERTY

The COUNTY agrees to insure or self-insure its interests in personal property to the extent it deems necessary or appropriate and hereby waives all rights to recovery from the Board for loss or damage of such property by any cause whatsoever. The COUNTY hereby waives all rights of subrogation under any policy or policies it may carry on property placed or moved on the DEMISED AREA.

The County does hereby agree to indemnify and hold harmless the Board, to the extent of the monetary limitations included within Florida Statutes, Section 768.28, subject to the provisions in this act whereby the County shall not be held liable to pay a personal injury or property damage claim or judgment by any one person which exceeds the sum of \$200,000, or any claim or judgment, or portions thereof, which, when totaled with all other claims or judgments paid by the County arising out of the same incident or occurrence, exceeds the sum of \$300,000 from any and all personal injury or property damage claims, liabilities, losses and causes of action which may arise as a result of the negligence of the County. However, nothing herein shall be deemed to indemnify the Board from any liability or claim arising out of the negligent performance or failure of performance of the Board or as a result of the negligence of any unrelated third party.

In addition, the County shall cause any entity completing the Due Diligence Investigations of the Demised Area for the County ("**County's Vendor**") to indemnify, defend and hold harmless the Board, its employees and representatives from and against all claims, actions, loss, damages, injury, liabilities, cost or expense of whatsoever kind or nature including, but not by way of limitation, attorneys' fees and court costs, arising out of the County's Vendor's actions or failure to act, arising or

incidental to the Due Diligence Investigations at the Demised Area by or on behalf of the County. In addition, the County shall cause the County's Vendor to further covenant and agree, at the County Vendor's own expense, and upon written request by the Board, to defend any suit, action or demand brought against the Board on any claim or demand arising out of, resulting from, or incidental to the County Vendor's performance under any contract by and between the County and/or its assigns and the County's Vendor relating to this Agreement. This provision shall survive the expiration, cancellation or early termination of this Agreement

In addition, on or before the Effective Date of this Agreement (as defined below), the County's Vendor shall provide certificates of insurance to the Board which evidence insurance coverages and limits meeting, at a minimum, the following requirements: 1) Commercial General Liability Insurance in an amount not less than \$1 Million combined single limit per occurrence for bodily injury and property damage, 2) Automobile Liability Insurance covering all owned, non-owned and hired vehicles used in connection with the operations of the County's Vendor, in an amount not less than \$1 million combined single limit per occurrence for bodily injury and property damage, and 3) Workers' Compensation Insurance for all employees of the County's Vendor as required by Florida Statutes. The insurance shall be subject to a maximum deductible not to exceed \$25,000. The minimum limits to be maintained by the County's Vendor (inclusive of any amounts provided by an umbrella or excess policy) shall be \$1 million per claim/annual aggregate. "The School Board of Miami-Dade County, Florida and its members, officers and employees" shall be an additional insured on all liability coverages except Workers' Compensation insurance. The insurance coverage required shall include those classifications, as listed in standard liability insurance manuals, which most nearly reflect the operations of the County's Vendor. The County's Vendor shall maintain such insurance at all times throughout the term of this Agreement.

The following shall be conditions precedent to commencement of the Due Diligence Investigations, subject to the terms and conditions of this Due Diligence Agreement: (1) the Board has authorized the execution of this Due Diligence Agreement and Lease Agreement, at a duly held meeting of The School Board of Miami-Dade County, Florida, and this Due Diligence Agreement has been executed by the Parties, (2) all insurance certificates or other proofs of insurance required under this Due Diligence Agreement have been received and approved by the Board, and (3) the County's proposed schedule for the Due Diligence Investigations has been coordinated with and approved by the Board or designee.

This Agreement shall be effective upon the date on which the last of the Parties initials or executes this Due Diligence Agreement (the "**Effective Date**"), and continue and remain in full force and effect covering the Demised Area until the sooner of the following occurs: (1) the County notifies the Board that it has completed its Due Diligence Investigations, or (2) sixty (60) days following the Effective Date of this Due
